2019 DIRTY KANZA

RIDERS BIBLE

EVENT DESCRIPTIONS

NOTE: This is an extremely remote area. You will likely not pass through any towns, and therefore no convenience stores between checkpoints. Always be aware of the distance to the next checkpoint, and be prepared to travel that distance with the supplies you carry.

Participants are solely responsible for their personal well-being, will have to make their own informed decisions, and suffer the consequences of those decisions. Please be aware... if you break down or become injured, it is YOUR responsibility to contact your support crew to come get you. **DO NOT CALL US. WE WILL NOT COME RESCUE YOU. EVENT PROMOTERS AND SPONSORS ARE NOT RESPONSIBLE FOR YOUR SAFETY AND WELL-BEING.** If you sign up for this event, make sure you have a support crew with a well thought out emergency back-up plan. If you do not feel you are prepared to meet such a challenge, please consider a shorter route option. If you do not have your own support crew, consider our support crew for-hire option, as described on our online registration page.

DIRTY KANZA 200...

is a 200 mile long ultra-endurance bicycling challenge, held on the gravel roads through the Flint Hills region of east-central Kansas.

The event will occur on Saturday, June 1, 2019 and will start in front of the historic Granada Theatre, 807 Commercial St., in downtown Emporia, Kansas. Participants will leave the starting line under police escort at 6:00 am.

Each rider will be responsible for printing out their own maps and cue sheets. These maps and cue sheets will guide the rider to each checkpoint along the route.

Upon arriving at a checkpoint, each rider is responsible for checking in. No one else can check in for a rider. Official Event Checkpoints are the only spots along the entire route where participants are allowed to meet their support crew to re-supply and fix equipment. As a general rule, checkpoints will occur every 50 to 80 miles along the route.

DIRTY KANZA 100 HALF-PINT...

is a semi-competitive, shorter-distance option, designed to serve as an introduction to endurance cycling and a “stepping stone” towards the DK200. Tackle the DK100 this year, then go for the full 200 miles the following year. Prizes will be awarded to the top five male and top five female finishers in the DK100. All riders completing the entire 100-mile route will receive a special Finishers Award. All DK100 entrants will also be eligible for our multitude of prize drawings and giveaways. Riders will leave from the Granada Theatre in downtown Emporia at 6:30am.

DK 50 LITE FUN RIDE...

is a 50-mile map-guided tour, designed specifically for recreational cyclists. The ride will start at 8:30 am in front of the Granada Theatre, 807 Commercial Street, in downtown Emporia, Kansas. Participants will follow portions of the DK200 course, finishing back at the Granada Theatre under the Dirty Kanza finish line banner. One fully-supported rest station will be provided midway through the route. Crews not allowed at this neutral aid station. DK50 is the perfect option for support crews and family members looking for a small taste of the Dirty Kanza experience.

DK 25 COMMUNITY FUN RIDE...

is a shorter version of the DK50. DK25 riders will leave from the Granada Theatre under police escort at 9:00am, and will have one fully-supported rest station midway through the route, before finishing back at the Granada Theatre.

COURSE DESCRIPTIONS

ALL DIRTY KANZA EVENT DISTANCES...

will utilize a single-loop format. Although some blacktop roads will be necessary from time to time, the vast majority of the course will be on gravel and dirt roads. Some of these roads receive little to no maintenance throughout the year and can be quite primitive in nature. In the event of inclement weather, gravel and dirt roads can become mud roads. Riders are therefore encouraged to prepare their bikes, their bodies, and their minds to be ready for any and all possible conditions.

EVENT REGISTRATION

Due to high demand, we are unable to accommodate everyone who wishes to participate in Dirty Kanza. Therefore, a random selection process will be utilized to determine who will be allowed to participate. Individuals may submit their name for participation in the 2019 Dirty Kanza from January 1, 2019 until January 13, 2019. Registration for event entry selection will be free of charge. However, credit card information will be collected at the time you submit your name for consideration. Your credit card will be charged only if you are accepted to participate in the event.

Winning entries will be selected on or about January 19, 2019, subject to event eligibility requirements. The individuals whose names are drawn will be awarded entry in the 2019 Dirty Kanza. These selected event participants will be notified by email per the contact information they provide. Each participant's credit card will be charged the event registration fee, a small processing fee, as well as any additional fees for add-on items chosen by the participant.

For more information on event registration, visit dirtykanza.com and click on the "Registration" tab.

DIRTY KANZA 200 COMPETITION CLASSES & ENTRY FEES

NOTES ON CLASSIFICATIONS

For all classifications and distances, "Racing Age" is based on the Rider's age as of June 1, 2019.

Minimum age requirement for DK200 is 16 years of age.

Minimum age requirement for DK100 is 14 years of age.

Minimum age requirement for the DK50 and DK25 is 10 years of age. Riders 13 years of age and younger must be accompanied by a parent or guardian.

"Tandem" is defined as a solitary bicycle frame with two wheels, designed to be operated by two riders. No pull-behinds. No tag-alongs. No trailers. No exceptions.

We reserve the right to add, combine, and/or delete classes.

EVENT SWAG

DK200 PRIZING & SWAG

ALL REGISTERED PARTICIPANTS will receive a swag bag, chock full of goodies from our sponsors.

Commemorative Front Number Plate
Event T-Shirt
SWAG Bag

ALL EVENT PARTICIPANTS

Are encouraged to attend Sunday morning's Rock Star Awards Ceremony. Lots of merchandise prizing will be randomly awarded. Must be present to win.

EVENT RULES

Unless otherwise noted, participants in the Dirty Kanza 200, 100, 50, and 25-mile event distances are subject to the following rules.

1 The EVENT SPONSORS, ORGANIZERS, PROMOTERS, STAFF and anyone having anything to do with this event ARE NOT RESPONSIBLE FOR YOUR SAFETY OR WELL BEING. We cannot stress this strongly enough... **YOU ARE RESPONSIBLE FOR YOU!**

2 Dirty Kanza is a self-supported, bicycle marathon event along the gravel and dirt roads of rural Kansas. For the purpose of this event, "bicycle" is defined as "a vehicle consisting of a frame mounted on two wheels one behind the other, and having a seat, handlebars for steering, two hand-operated brakes, and propelled solely by the operator via two pedals connected to the rear wheel by a chain or belt. "E-Bikes" will be allowed in the 25 and 50-mile distances only.

3 All roads are open to public traffic. For your safety, it is imperative that you be constantly aware of your surroundings. Therefore, headphones/earbuds are strictly forbidden.

4 ALL participants MUST attend Rider Sign-In on Friday, May 31st to receive their event packet. A government-issued photo I.D. will be required to sign in. Event packets will be given out to registered participants only. No one else can receive your pack for you. Sign-In will NOT be available on Saturday. So plan accordingly. For more information on Rider Sign-In, refer to the Schedule of Events.

5 Participants will be responsible for printing their own set of course maps and/or cue sheets prior to the event. These documents will be the rider's primary means of navigation. In addition, the course may have a limited number of course markings to reassure participants they are on route. **DO NOT RELY ON COURSE MARKINGS FOR NAVIGATION. USE THE MAP AND/OR CUE SHEETS!!!** Participants may load the route into their GPS prior to the event, to assist in navigation.

6 There will be several checkpoints along the route where all participants must check in.

7 Cut-off times will be established for reaching and for departing each checkpoint. Any participant not reaching a checkpoint before the established arrival cut-off time will be pulled from the event. Any participant still at a checkpoint after the departure cut-off time will not be allowed to continue past that point. Arrival cut-off times are based on an average speed of 10 mph and are established for the purpose of rider safety. Therefore, these times will be strictly enforced.

8 Outside support is not allowed. This includes, but is not limited to assistance with navigation, supplies, and lighting. The only exceptions to this are outlined in Rules 9, 10, 11 and 12 below.

9 Participants may help other participants with mechanical support, navigational assistance, or by any other means.

10 Each participant, regardless of event distance, **MUST** have present at the event at least one support crew person to come get them should they need to abandon the event. Multiple riders may share the same support crew. DK200 and DK100 riders who do not have a personal support crew may wish to consider our support crew for-hire program. (See our online registration page for more information). However you decide to meet this requirement, just remember... **WE WILL NOT COME RESCUE YOU. YOU ARE RESPONSIBLE FOR YOU.**

11 Official checkpoints along the route will serve as neutral areas where DK200 & DK100 participants may meet their support crew to restock supplies and repair equipment. These checkpoints will be the only locations along the entire course where participants may receive assistance from their support crew. **RECEIVING ASSISTANCE FROM A SUPPORT CREW, OR ANY OTHER NON-PARTICIPANT, AT ANY OTHER POINT ALONG THE ROUTE WILL RESULT IN IMMEDIATE DISQUALIFICATION.**

12 Participants may stock up on food, water, and other supplies at stores and businesses along the route. Participants may also receive

“neutral” assistance from residents along the route. “Neutral” is defined as support that is freely offered equally to ALL event participants, and is done so from a stationary, non-moveable location. In other words, it is OK to stop at a farmhouse and fill up a water bottle from a garden hose. It is OK to receive a can of soda from a resident sitting in a lawn chair in their front yard with a cooler full of cold drinks. It is NOT OK to receive a hand-up from a vehicle that “just happens” to be at the side of the road. Folks, this rule is really quite simple. Please don’t make it something it is not.

13 Support Crews are NOT allowed on course, except to pick up a rider who is abandoning the event. **IF A SUPPORT CREW VEHICLE IS SPOTTED ON COURSE, THEIR RIDER WILL BE DISQUALIFIED.** Providing support to a rider while on course goes against the self-sufficiency spirit of this event. It is unfair to other participants, and therefore will not be allowed.

14 Participants may not advance along the route by any means other than bicycle, or by foot. There will be no hitching rides.

15 The primary route must be followed at all times. No short cuts or alternate routes are permitted. The course may be altered by the promoters in the event of inclement weather, or other unforeseeable circumstance. Should this occur, participants will be sufficiently advised.

16 Riders must remain within the primary boundaries of the roadway at all times. If the roadway is bordered by fences, stay between them. If the roadway is in open range (no fences), stay out of the ditch and on the road. Leaving the roadway is cutting the course. Hopping the fence is trespassing on private property, and as such is punishable by law. We will fully cooperate with local law enforcement to see that violators are dealt with appropriately.

17 If you intentionally exit the course for food, supplies, or any other reason, you must re-enter the course at the same spot at which you left. If you get lost, you shall make every reasonable attempt to backtrack to the point where you left the course; or to re-enter the course as soon as possible and without gaining an advantage. Note: “Advantage” is not defined by race position.

18 Participants must start and complete the entire course on the same bicycle frame. All other components and equipment may be repaired or replaced during the event. Participants in the Single-Speed class shall have only one gearing combination installed on their bike, and must complete the entire event using the same gearing combination.

19 Bicycles must be equipped with two (front and rear) fully-functional hand-operated brakes. Coaster style brakes

do not satisfy this requirement. “Fixed-Gear” bikes are not exempt from this requirement.

20 Participants must wear a properly approved helmet while operating their bicycle.

21 Participants must obey all city, county, and state laws, and “Rules of the Road”. <https://www.ksdot.org/burrrail/bike/biking/KsBicyStatutes.asp>

22 DK200 and DK100 participants must have a clear front headlamp and a red tail light for the duration of the event. Riders will not be allowed to start the event without proper lighting mounted and ready for use. Riders may choose to mount additional lighting while at one of the official event checkpoints. (Headlamps may be mounted either on the bike or on the rider’s helmet.)

23 Drafting on another event participant is allowed. Drafting on a non-participant cyclist, or on a motorized vehicle will result in disqualification.

24 You are completely on your own. Use your head. Watch for and yield to traffic. All roads are open to public traffic.

25 Challenges to event results must come from a registered participant, must be made either in-person, or via email to jcummins3@lt.life, and must be received no later than 11:59 pm on Sunday, June 2, 2019.

PREPARATIONS

EQUIPMENT CHECKLIST

Each participant must carry with them (on their body, or on their bike) every item on this list:

1. Cycling computer or GPS device. (To track your mileage.)
2. Red tail light. (DK200 and DK 100 only.)
3. Front light. (DK200 and DK 100 only.)
4. Minimum of two liters of water or sports drink.
5. Two spare inner tubes.
6. Air pump or inflation system.
7. A cell phone to contact the “outside world” should you need help.

ADDITIONAL Supplies You Should SERIOUSLY Consider

1. A GPS system to communicate your exact location to support or rescue personnel in the event of an emergency.
2. Small rucksack / hydration pack
3. Waterproof / windproof jacket
4. Extra thermal top or warm layer
5. An emergency / survival blanket
6. Food – energy bars, gels, chocolate, etc.
7. Tire levers
8. Puncture repair kit
9. Chain tool
10. Allen wrench set
11. Spoke wrench
12. First aid kit
13. Chamois Butt'r
14. Chain lube
15. Cash, debit card or credit card. (To purchase food, water, supplies.)
16. Handlebar map case
17. Compass

A WORD TO SUPPORT CREW PERSONNEL

We suggest you research the area surrounding Emporia, Kansas beforehand, so you come prepared to navigate the region. Bring your GPS. Although printed maps will not be provided for you, we will advise you of the various checkpoint locations along the event route. Please stay on paved highways, and off the course. The only time you are allowed to be on the course is to pick up your rider if he or she decides to abandon the event. Dirty Kanza is all about self-sufficiency in a rugged and remote environment. Having to dodge cars compromises this experience for our event participants. Thank you for your understanding.

For more information on the role of a Support Crew and how they can best prepare for the event, visit dirtykanza.com, then click on the “Info” tab.

AREA HOSPITALS

It is, of course, our hope that no one will need this information.

In the unfortunate chance that you do, print this off and keep it with you and your support crew.

EMERGENCIES DIAL 911

OUR STANCE ON DOPING, WADA, AND “FAIR PLAY”

Dirty Kanza Promotions, LLC is a privately owned entity dedicated to providing high-quality, grassroots events to the endurance cycling and running communities. Although we are not affiliated with any sanctioning bodies, we do agree with and fully support the Fundamental Rationale for the World Anti-Doping Code, which states...

“Anti-doping programs seek to preserve what is intrinsically valuable about sport. This intrinsic value is often referred to as “the spirit of sport.” It is the essence of Olympism, the pursuit of human excellence through the dedicated perfection of each person’s natural talents. It is how we play true. The spirit of sport is the celebration of the human spirit, body, and mind, and is reflected in values we find in and through sport, including:”

- Ethics, fair play, and honesty
- Health
- Excellence in performance
- Character and education
- Fun and joy
- Teamwork
- Dedication and commitment
- Respect for rules and laws
- Respect for self and other Participants
- Courage
- Community and solidarity

Doping is fundamentally contrary to the spirit of sport. To fight doping by promoting the spirit of sport, the Code requires each Anti-Doping Organization to develop and implement education and prevention programs for Athletes, including youth and Athlete Support Personnel.

Therefore:

Athletes who are currently serving a ban from sport or competition by WADA or any inter-governmental organizations, governments, public authorities, and other public and private bodies fighting doping in sport will not be allowed entry or participation in Dirty Kanza events.
